# Getting Started with Show The Way

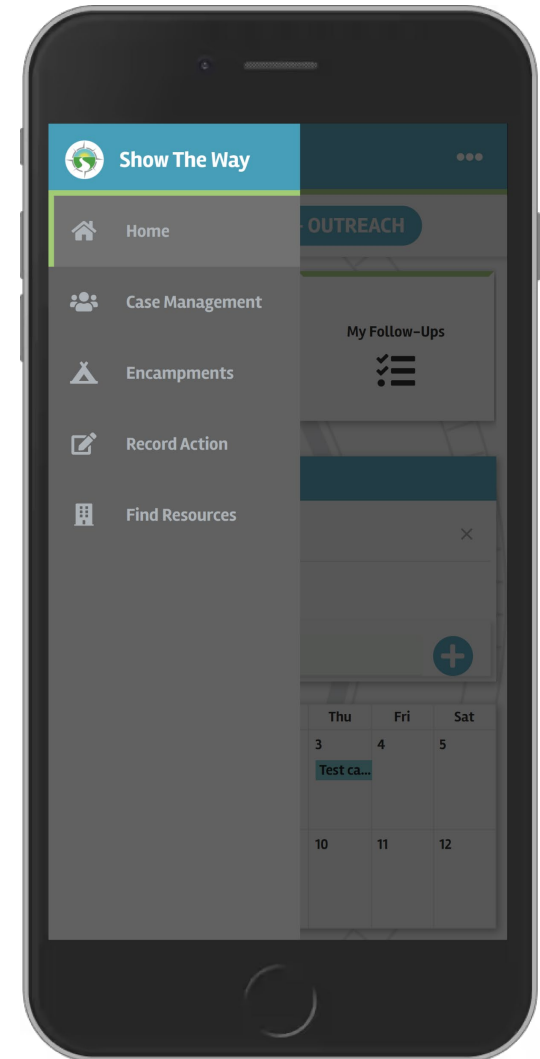

Show The Way can be downloaded from [Google Play](#) or the [App Store](#) from Apple, or it can be accessed on the web at [www.showtheway.org](http://www.showtheway.org). Unless you are *Making a Citizen Request*, you must have an account created for you by your Regional Administrator.

Login with your account credentials. Use the *Forgot Password* link the first time to create your password.

You should be automatically connected to your local Datastore (see the name at the top of your screen).

Click on the Show The Way icon in the top left, or swipe from the left to access the menu.
